

Accreditations

As a rule, accreditation applications have to be submitted to the FC Bayern Press Office.

For the Allianz Frauen Bundesliga all accreditation requests must be fully completed – including a valid press id (VDS, VDS, DJU, DJV, AIPS or – in exceptions – a confirmation from the editorial office) – and submitted to the club not later than 5 working days prior to the match day. In case of international matches 10 working days prior to the match day. Any later requests will not be processed.

On matchday the media accreditation can only be handed out if you provide a valid press ID or written confirmation from the editorial office and by showing us the confirmation-letter.

Furthermore, we would like to underline the fact that a media accreditation is non-transferable and only representatives of the press will be permitted entry.

Please send your accreditation request including a copy of your press card to:

FC Bayern München
Press office Frauenfußball
Säbener Straße 51
81547 München

or send a fax to 0049/ 89 / 699 31 8440
or send an e-mail to media@fcb-frauenfussball.de

Confirmed press cards are issued at the accreditation counter (at the players entrance) on match day only, starting 2 hours prior to kick-off.
