We will be able to provide you with information on availability approximately 1 week after the draw.

COMING SEASON 2025/26

We will be happy to accept inquiries for the coming season once the official DFL fixture list for the coming season has been published. The corresponding announcement is expected to be made at the end of June, beginning of July 2025.

HOSPITALITY-TICKETS

TICKET ALLOCATION PROCESS

Ticket processing varies by game and area:

EVENTBOX / FOYER / FRANZ BECKENBAUER LOUNGE

The first 2-3 games in the preliminary round - info until about mid-August

The other games in the preliminary round - info until probably end of September / beginning of October

The games in the second round - from the end of December / end of January

Occasionally, information on a match may be provided at a later date. In any case, you will receive an info with the current processing status no later than 4 weeks before each match.

UEFA CHAMPIONS LEAGUE / DFB CUP

For the possible matches in the UEFA Champions League, as well as in the DFB Cup, we can give an info in all above mentioned areas at the earliest 1-2 weeks after the draw. Inquiries can be made after the respective draw.

PRESENTERBOX

For our presenter boxes, which are designed for 10/15/20 persons and can be booked exclusively for you and your guests, we accept orders for all matches. Due to contractual obligations, however, we can only provide information on availability for this exclusive box 3 weeks before the game at the earliest. If this is not too short notice for your planning, please feel free to submit a request online for the desired game - we will gladly add your request to the waiting list and contact you immediately upon availability.

BUSINESS/SÄBENER SEATS

These areas are mainly occupied by season tickets. Occasionally, we have day tickets available for free sale. Due to contractual obligations, however, we have to reserve these up to 3 weeks before the match, certain contingents up to 3 working days. Info on these categories is therefore only possible at very short notice.

Please also note: Compared to the other areas, we have the smallest contingent of day tickets available here.

If this category is no longer displayed in the ticketportal, we have unfortunately already had to remove it from the portal due to high demand.

UEFA CHAMPIONS LEAGUE / DFB CUP

Unfortunately, for some matches in the UEFA Champions League in the above-mentioned areas, day tickets are not available. There is only a small contingent in the DFB Cup, similar to the Bundesliga.

SPONSORS LOUNGE

This area is reserved for our sponsors. We can provide some tickets for our matches here, but unfortunately we can only provide information about availability during the match week.

Unfortunately, we have to inform you that our waiting list for annual tickets in the hospitality area is now extremely long - we have had this waiting list for a very long time and some customers have been hoping for tickets for years. We are therefore no longer able to accommodate any further requests. You are welcome to purchase day tickets for individual matches. Please refer to the information "Season 2024 | 25"
