TICKETINFO

Dear Sir or Madam,

Thank you for your message and your interest in our Premieument.

We will be happy to accept inquiries for the 2022/23 season again as soon as the official DFL match schedule for the coming season is published. The corresponding announcement is expected to be made at the end of June, beginning of July 2022. After publication, you will find all dates at fcbayern.com/en/spielplan/profis.

We will gladly accept orders for all matches and areas after corresponding publication. Please note that due to contractual agreements, it is not possible for us to give you a binding commitment for your desired match for the 2022/23 season immediately after receiving your request.

However, we will make a note of your request and provide you with meaningful feedback in a timely manner before the match as to whether your order can be fulfilled or are already able to make you a binding offer. We are confident that we will be able to send you this feedback for the first 2-3 matches in the preliminary round by the beginning of August, for the other matches in the preliminary round probably by mid-September and for the matches in the second round from mid-December. We apologize for this delay and thank you in this context for your understanding.

We are happy to accept orders for all possible matches in the UEFA Champions League and the DFB Cup. An info about the availability can be given regularly 1 week after the respective draw.

With best regards,
Your Premieument Team
